James Hughes, a stowaway on th transport Thomas, has been turned ove to the police authorities here, by whom h: is being temporarily held. Hughes Daily Daily Daily Daily said to be insane and it is also said that he raved of having murdered a man 1 Colden Gate Park, San Francisco, tw.

Both me were put to work, but Hughes refused t do anything whatever. He was put i for a couple of days. At the end of th two days he was seized with deliriur tremens and he was put in the hospita in care of the surgeon.

nelulu.

While Hughes raved in his delirium is said that he talked of having commit ted a murder with another man and tha his partner had given him away, transport people decided to turn Hughe over to the police authorities here unt the San Francisco authorities could b con-municated with.

Hughes was interviewed by an Advertiser reporter last night. He was asleep in his ceil at the police station when the reporter called, but threw aside his mosquito net when he found he had a visitor and shook hands through the bars of his prison. Hughes appeared perfectly sane at the time and talked after the manner of any ordinary mortal. He said he had been a bartender in San Francisco and was a very heavy drinker. He was Tides from the United States Coast and Very drunk when he stowed away on the Geodetic Survey tables; Thomas with another man. Two fire-The tides at Kahului and Hilo occur men helped them get aboard, he said. He had been sick on the transport, he said, but did not remember ever having said ainutes slower than Greenwich time, be- anything about a murder. He knew nothing that of the meridian of 157 degrees 30 ing of any murder and certainly had not m., which is the same as Greenwich, 0 sometimes got a nule off his head when hours o minutes. It is probable that the military authorities here will look after Hughes until the San Francisco police are heard from.

Chinese Offenders are Sought After by the City Police.

Ah Cheung and his wife Ah Moy are wanted by the police. They recently arrived from Hilo whence they were forcibly despatched by Sheriff Andrews. At Hilo the couple were charged with keeping a disorderly house. They were lectured and told to mend GARDEN soil for sale. Apply Hawaiielsto, September 25; en route to Manila their ways. They promised many times via Nagasaki with stores for Taku and but had a pernicious habit of forget-

ting their vows to the Sheriff. Finally tiring of their protestations to do better, the Sheriff gave them the alternative of going to jail or coming to Honolulu and departing for the Flow- BARBER shop and ice cream parlor of ery Kingdom. They chose the less of two evils and packing up their belongings and transferring their property into a cash equivalent came here on

the Kinau. Since their arrival they have made no move to take up the balance of their Challenger, Am. sp., Gould, New York, journey to the Celestial Empire. They have resided here and evidently intend to elude the vigilance of the police authorities if possible.

Photographs of the muchly-wanted couple were sent to High Sheriff Brown by Sheriff Andrews and on these clues Emierpe, Am. sp., Sachs, Newcastle, Sep- the police have begun their search. Policemen Ah On and Apana know the couple and believe they can easily tocate the pair.
